Subject: Congratulations on a spectacular event

Dear Trans-NH Friends -

My bike is washed and dried, my cycling gear is in the laundry and I'm charging up my bike computer. Before completely shifting out of cycle mode for a few days, I want to take a moment to thank all of you for a spectacular weekend. I don't have a lot of experience with group rides or major cycling events, but I can't imagine one run better than this one. I did hear from a number of folks this weekend who do have lots of experience and they all agree that this ride is their favorite. It's easy to see why. You treat the riders like kings and queens (it will be tough to get back to the reality of making my own sandwiches). Lots was said about the riders being heroes. I don't agree. You - the board, the support crew, all who make this happen - are the TRUE heroes. Riders can always be found...but volunteers like you are much harder to come by...YOU are the ones who really make a difference. Thank you!

See you next year -
